AT THE BULL

Community investment opportunity

- **Enterprising Limpsfield Ltd** is a new company formed by a group of community-minded residents in response to The Bull being put up for sale. Our aims are to invest, restore and enhance.
- Building on The Bull's legacy for quality local independent food and drink, we will provide a unique new community hub/pub housed within this much-loved, historic building - hosting community-focused events, workshops and celebrations.
- Enterprising Limpsfield wants to hear from interested community members who would like to get involved in this community investment, as well as those with complementary skills and ideas.
